*** Remarks ***

- 1) Most parcels from the UK to South Korea will be delivered within 3-5 working days.
- 2) Korean customs will sometimes need to examine the contents of a package randomly. In such cases the opening, repacking and resealing of the package is carried out,
 under Customs instruction, by korea Costoms staff and it may cause of a delayed delivery.
- 3) If parcel is being delivered to a remote area such as the Highlands, Islands of South Korea it may take up to 7 working days.
